**IT IS RECOMMENDED THAT YOUR BOARD:**

Adopt the Resolution authorizing the issuance and sale of general obligation bonds of the Hermosa Beach City School District in an amount not to exceed \$10,000,000.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

On February 6, 2003, the Governing Board of the Hermosa Beach City School District adopted a resolution determining that the District needs to borrow funds in an aggregate principal amount not to exceed \$10,000,000 to be used for authorized purposes.

On November 5, 2002, an election was held whereby qualified voters of the District approved the proposition authorizing the District to issue \$13.6 million in general obligation bonds for various purposes set forth in the ballot submitted to the voters. This will be the first issuance of bonds authorized under this bond measure.

Pursuant to Section 15266 of the Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. Such bonds shall be issued in the name and on behalf of such school district by the Board of Supervisors of the County following receipt of the district resolution requesting such borrowing.

#### **FISCAL IMPACT/FINANCING**

None to the County. All debt will be paid by the District.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

aggregating at least \$50,000,000 and doing business in the State and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution. Such Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the County and the District a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or, if there is no successor, to the Treasurer. In the event that for any reason there shall be a vacancy in the office of the Paying Agent, the Treasurer shall act as such Paying Agent. If the Series A Bonds are no longer held in book-entry form in accordance with Section 12 hereof, the County shall cause the Paying Agent appointed to replace any resigned or removed Paying Agent to mail notice of its appointment to all registered Owners.

**Section 9. Payment of Principal and Interest.** The principal of and interest on the Series A Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Paying Agent as paying agent. Principal of the Current Interest Bonds and the Maturity Value of the Capital Appreciation Bonds shall be payable when due upon presentation and surrender of the Series A Bonds at the corporate trust office of the Paying Agent which has been designated by the Paying Agent for purposes of paying the Principal and Maturity Value of the Series A Bonds. Interest on Current Interest Bonds shall be paid on each Bond Payment Date by check mailed by first class mail to the person in whose name the Series A Bond was registered, and to that person's address appearing on the Bond Register (as described in Section 10 below) at the close of business on the Record Date. The Owner of an aggregate Principal Amount of Current Interest Bonds of \$1,000,000 or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of any Record Date.

Payments of Principal and redemption premiums, if any, with respect to the Current Interest Bonds, and the payments of the Maturity Value and Accreted Value and redemption premiums, if any, with respect to Capital Appreciation Bonds, shall be payable at maturity or redemption upon surrender at the principal corporate trust office of the Paying Agent. The Paying Agent is hereby authorized to pay the Series A Bonds when duly presented for payment at maturity or redemption, and to cancel all Series A Bonds upon payment thereof.

The Series A Bonds are the general obligation bonds of the District payable solely from *ad valorem* taxes levied on behalf of the District as described herein and do not constitute an obligation of the County. No part of any fund or moneys of the County is pledged or obligated to the payment of the Series A Bonds.

**Section 10. Bond Registration and Transfer.** So long as any of the Series A Bonds remain outstanding, the District will cause the Paying Agent to maintain and keep at its principal office all books and records necessary for the registration, exchange and transfer of the Series A Bonds as provided in this Section.

Subject to the provisions of Section 12 below, the person in whose name a Series A Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes

of this Resolution. Payment of or on account of the Principal of and interest on any Series A Bond shall be made only to or upon the order of that person; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Series A Bonds, including interest, to the extent of the amount or amounts so paid.

Any Series A Bond may be exchanged for Series A Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Paying Agent, together with a request for exchange signed by the registered Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Series A Bond may be transferred only on the Bond Register by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Series A Bond for cancellation at the office of the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. Upon exchange or transfer, the Paying Agent shall register, authenticate and deliver a new Series A Bond or Series A Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Series A Bond surrendered and bearing or accreting interest at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest Bonds may not be exchanged for one another.

If manual signatures on behalf of the County are required, the Paying Agent shall undertake the exchange or transfer of Series A Bonds only after the new Series A Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Series A Bonds, the County shall sign and the Paying Agent shall authenticate and deliver Series A Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the transferor. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Series A Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Series A Bonds surrendered upon that exchange or transfer.

Any Series A Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District and the County may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Series A Bonds that the District and the County may have acquired in any manner whatsoever, and those Series A Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Series A Bonds shall be made to the District and the County by the Paying Agent at least twice each calendar year. The cancelled Series A Bonds shall be retained for a period of time and then returned to the District or destroyed by the Paying Agent as directed by the District.

Neither the District, the County nor the Paying Agent will be required (a) to issue or transfer any Series A Bonds during a period beginning with the opening of business on the 16th day of the month next preceding any Bond Payment Date or any date of selection of Series A Bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given or (b) to transfer any Series A Bonds which have been selected or called for redemption in whole or in part.

In case any Series A Bond secured hereby shall become mutilated or destroyed, stolen or lost, the Paying Agent shall cause to be executed and authenticated a new Series A Bond of like date and

tenor in exchange and substitution for and upon the cancellation of such mutilated Series A Bond or in lieu of and in substitution for such Series A Bond mutilated, destroyed, stolen or lost, upon the Owner's paying the reasonable expenses and charges in connection therewith, and, in the case of a Series A Bond destroyed, stolen or lost, such Owner's filing with the Paying Agent and the County of evidence satisfactory to them that such Series A Bond was destroyed, stolen or lost, and/or such Owner's ownership thereof and furnishing the Paying Agent, the County and the District with indemnity satisfactory to each of them.

Any new Series A Bonds issued pursuant to this Section 10 in substitution for Series A Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Series A Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Series A Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Series A Bonds.

#### **Section 11. Redemption.**

(a) Terms of Redemption. The Series A Bonds shall be subject to redemption prior to maturity as provided in the Purchase Agreement.

(b) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the redemption of Series A Bonds and less than all Outstanding Series A Bonds are to be redeemed, the Paying Agent, upon written instruction, shall select Series A Bonds for redemption in the order of maturity specified in the Purchase Agreement. Within a maturity, the Paying Agent shall select Series A Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Maturity Value of such Capital Appreciation Bond.

(c) Notice of Redemption. When redemption is authorized or required pursuant to this Resolution, the Paying Agent shall give notice (a "Redemption Notice") of the redemption of the Series A Bonds by first class mail, postage prepaid to each Owner of the Series A Bonds at the addresses appearing on the Bond registration books at least 30 but not more than 60 days prior to the redemption date; provided, however, that the Paying Agent shall give a notice of optional redemption only if it has first received a written notice from the District at least 60 days prior to the Bond Payment Date, or such later date as is acceptable to the Paying Agent, instructing the Paying Agent to mail such a notice. Such Redemption Notice shall specify: (a) the Series A Bonds or designated portions thereof (in the case of redemption of the Series A Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Series A Bonds to be redeemed, (f) the numbers of the Series A Bonds to be redeemed in whole or in part and, in the case of any Series A Bond to be redeemed in part only, the Principal Amount or Accreted Value, as applicable, of such Series A Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Series A Bond to be redeemed in whole or in part. Such Redemption

Notice shall further state that on the specified date there shall become due and payable upon each Series A Bond or portion thereof being redeemed the Principal Amount thereof and applicable premium, if any, together with the interest accreted to the redemption date, and that from and after such date, interest with respect thereto shall cease to accrue or accrete in value.

In case of the redemption as permitted herein of all the outstanding Series A Bonds of any one maturity, then outstanding, notice of redemption shall be given by mailing as herein provided, except that the Redemption Notice need not specify the serial numbers of the Series A Bonds of such maturity.

Neither the failure of an Owner to receive a Redemption Notice mailed nor any defect in any Redemption Notice given shall affect the sufficiency of the proceedings for the redemption of the Series A Bonds.

(d) Additional Notice. In addition to the Redemption Notice given pursuant to Section 11(c), further notice shall be given by the Paying Agent as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

(i) Each Redemption Notice shall be sent at least thirty (30) days before the redemption date by registered or certified mail or overnight delivery service to each of the Securities Depositories which are then in the business of holding substantial amounts of obligations of types comprising the Series A Bonds and to one or more of the Informational Services that disseminate notice of redemption of obligations similar to the Series A Bonds or, in accordance with the then-current guidelines of the Securities and Exchange Commission, such other securities depositories and services providing information on called bonds, or such securities depositories and services, as the District may designate in a certificate delivered to the Paying Agent.

(ii) In the event that the Series A Bonds are no longer held in book-entry form, each Redemption Notice shall be mailed to each registered Owner at least thirty (30) days prior to the date fixed for redemption.

(e) Upon the payment of the redemption price of Series A Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Series A Bonds being redeemed with the proceeds of such check or other transfer.

(f) Payment of Redeemed Series A Bonds. When notice of redemption has been given substantially as provided for herein, and, when the amount necessary for the redemption of the Series A Bonds called for redemption, including the Principal Amount, Accreted Value, interest and premium, if any, is set aside for that purpose in the Debt Service Fund, as provided herein, the Series A Bonds designated for redemption shall become due and payable on the date fixed for redemption thereof and upon presentation and surrender of said Series A Bonds at the place specified in the notice of redemption with the form of

assignment endorsed thereon executed in blank, said Series A Bonds shall be redeemed and paid at the redemption price out of the Debt Service Fund.

All unpaid interest payable at or prior to the redemption date shall continue to be payable to the respective Owners, but without interest thereon.

(g) Partial Redemption of Series A Bonds. Upon the surrender of any Series A Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Series A Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amount to the unredeemed portion of the Series A Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(h) Effect of Notice of Redemption. If on such redemption date, money for the redemption of the Series A Bonds to be redeemed as provided in this Section 11 hereof, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Series A Bonds to be redeemed shall cease to accrue and become payable.

(i) Series A Bonds No Longer Outstanding. When any Series A Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Series A Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Series A Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

## **Section 12. Book-Entry System.**

(a) Except as provided below, the owner of all of the Series A Bonds shall be The Depository Trust Company, New York, New York ("DTC"), and the Series A Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Series A Bonds shall be initially executed and delivered in the form of a single, fully registered Series A Bond for each maturity (which may be typewritten). Upon initial execution and delivery, as provided for herein, the ownership of such Series A Bond shall be registered in the Bond Register in the name of the Nominee identified below as nominee of The Depository Trust Company, New York, New York, and its successors and assigns. Except as hereinafter provided, all of the outstanding Series A Bonds shall be registered in the Bond Register in the name of the nominee of the Depository, which may be the Depository, as determined from time to time pursuant to this Section (the "Nominee"). Each Series A Bond certificate shall bear a legend substantially to the following effect: "UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AS DEFINED IN THE RESOLUTION) TO THE BOND REGISTRAR FOR REGISTRATION OF

TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN."

With respect to the Series A Bonds registered in the Bond Register in the name of the Nominee, neither the County, the District nor the Paying Agent shall have any responsibility or obligation to any broker-dealers, banks and other financial institutions from time to time for which the Depository holds Series A Bonds as securities depository (the "Participant") or to any person on behalf of which such a Participant holds an interest in the Series A Bonds. Without limiting the immediately preceding sentence, neither the County, the District nor the Paying Agent shall have any responsibility or obligation (unless the District is at such time the Depository) with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in the Series A Bonds, (ii) the delivery to any Participant or any other person, other than an Owner of a Series A Bond as shown in the Bond Register, of any notice with respect to the Series A Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in the Series A Bonds to be redeemed in the event the District redeems the Series A Bonds in part, or (iv) the payment to any Participant or any other person, other than an Owner of a Series A Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Series A Bonds. The County, the District and the Paying Agent may treat and consider the person in whose name each Series A Bond is registered in the Bond Register as the holder and absolute Owner of such Series A Bond for the purpose of payment of principal and interest with respect to such Series A Bond, for the purpose of giving notices of redemption, if applicable, and other matters with respect to such Series A Bond, for the purpose of registering transfers with respect to such Series A Bond, and for all other purposes whatsoever.

The Paying Agent shall pay all principal of and interest on the Series A Bonds only to or upon the order of the respective Owner of the Series A Bond, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of and interest on the Series A Bonds to the extent of the sum or sums so paid. No person other than an Owner of a Series A Bond, as shown in the Bond Register, shall receive a Series A Bond evidencing the obligation of the District to make payments of principal and interest. Upon delivery by the Depository to the Owners of the Series A Bonds, and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Resolution shall refer to such nominee of the Depository.

(b) In order to qualify the Series A Bonds for the Depository's book-entry system, the District is executing and delivering to the Depository a Representation Letter. The execution and delivery of the Representation Letter shall not in any way limit the provisions of this Section or in any other way impose upon the District any obligation whatsoever with respect to persons having interests in the Series A Bonds other than the owners of the Series A Bonds, as shown on the Bond Register. In addition, to the execution

and delivery of the Representation Letter, the District shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify the Series A Bonds for the Depository's book-entry program.

(c) If at any time the Depository notifies the County and the District that it is unwilling or unable to continue as Depository with respect to the Series A Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the Treasurer within 90 days after the County and the District receive notice or become aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the Treasurer shall issue bonds representing the Series A Bonds as provided below. In addition, the County and the District may determine at any time that the Series A Bonds shall no longer be represented by book-entry securities and that the provisions of subsection (a) hereof shall no longer apply to the Series A Bonds. In any such event, the Treasurer shall execute and deliver certificates representing the Series A Bonds as provided below. Series A Bonds issued in exchange for book-entry securities pursuant to this subsection (c) shall be registered in such names and delivered in such denominations as the Depository shall instruct the County and the District. The Treasurer shall deliver such bonds representing the Series A Bonds to the persons in whose names such Bonds are so registered.

If the County and the District determine to replace the Depository with another qualified securities depository, the County and the District shall prepare or cause to be prepared new fully-registered book-entry securities for each of the maturities of the Series A Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the County, the District and such securities depository and not inconsistent with the terms of this Resolution.

(d) Notwithstanding any other provisions of this Resolution to the contrary, so long as any Series A Bond is registered in the name of the Nominee, all payments with respect to principal of, and interest on such Series A Bond and all notices with respect to such Series A Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository and acceptable to the District.

(e) The initial Depository under this Section shall be DTC. The initial Nominee shall be Cede & Co., as Nominee of DTC.

**Section 13. Forms of Bonds.** The Series A Bonds shall be in substantially the forms as shown in Exhibit C hereto; provided, however, that those officials executing the Series A Bonds are hereby authorized to make the insertions and deletions necessary to conform the Series A Bonds to this Resolution, the Purchase Agreement and the Official Statement and to correct any defect or inconsistent provision therein or to cure any ambiguity or omission therein.

**Section 14. Deposit of Proceeds of Series A Bonds; Creation of Funds.**

(a) The proceeds from the sale of the Series A Bonds, to the extent of the principal amount thereof, shall be paid to the County to the credit of the fund hereby created and established and to be known as the "Hermosa Beach City School District 2003 General Obligation Bond Building Fund, Election of 2002, Series A" (the "Building Fund") of the

District, which shall be accounted for separately and distinctly from all other District and County funds. Such proceeds shall be used by the District solely for the purpose for which the Series A Bonds are being issued and shall be applied by the District solely to authorized purposes which relate to the Projects. The County is not responsible for the District's use of the proceeds of the Bonds. Any amounts that remain in the Building Fund at the completion of the Projects, at the written direction of the District, shall be transferred to the Debt Service Fund to be used to pay the Principal of, premium, if any, and interest on the Bonds, subject to any conditions set forth in the Tax Certificate.

(b) Any premium received by the County from the sale of the Series A Bonds, if any after all or a portion of Underwriter's discount and Costs of Issuance are paid, and the accrued interest on the Series A Bonds shall be accounted for separately and distinctly in the fund hereby created and established and to be designated as the "Hermosa Beach City School District 2003 General Obligation Bond Debt Service Fund, Election of 2002, Series A" (the "Debt Service Fund") for the Series A Bonds. Amounts in the Debt Service Fund shall be used only for payments of Principal, premium, if any, and interest on the Series A Bonds. All *ad valorem* taxes levied for the purposes described in Section 15 hereof shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Series A Bonds. On the Business Day immediately preceding each Bond Payment Date, if the Paying Agent is not the Treasurer, and on the Bond Payment Date if the Paying Agent is the Treasurer, the District shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Series A Bonds (collectively, the "Debt Service") on such Bond Payment Date. Debt Service on the Series A Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service. If, after payment in full of the Series A Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

(c) There is hereby created and established a "Hermosa Beach City School District General Obligation Bond Rebate Fund, Election of 2002, Series A" (the "Rebate Fund"). The County shall from time to time receive funds from the District for deposit into the Rebate Fund as required to enable the District to comply with the requirements of Section 148(f) of the Code. The District shall instruct the County, in writing, as to the method of investing and disbursing funds held in the Rebate Fund to the United States Treasury. The County agrees to comply with such instructions of the District. Any money remaining in the Rebate Fund after the payment in full of the Series A Bonds, either at maturity or earlier redemption, and the payment to the United States Treasury of any amounts required pursuant to Section 148(f) of the Code, and any regulations thereunder, shall be transferred to the Building Fund, or if the Building Fund is not then in the existence, shall be transferred to the general fund of the District. The County shall have no liability or obligation with respect to the required deposits to or disbursements from the Rebate Fund, which shall remain the sole responsibility of the District.

(d) Interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund, interest earned on the investment of monies held in the Building Fund shall be retained in the Building Fund, and interest earned on the investments in the Rebate Fund shall be retained in the Rebate Fund.

(e) There shall hereby be created and established the "Hermosa Beach City School District 2003 General Obligation Bond Costs of Issuance Fund, Election of 2002, Series A" (the "Costs of Issuance Fund") which shall be accounted for separately and distinctly from all other District and County funds and accounts. Upon direction from an Authorized Representative of the District, the Treasurer shall transfer from the Building Fund and deposit in the Costs of Issuance Fund an amount not to exceed two percent (2%) of the initial Principal Amount of the Series A Bonds. Monies held in the Costs of Issuance Fund shall be applied, upon direction from an Authorized Representative of the District, solely to pay Costs of Issuance. Upon direction from an Authorized Representative of the District amounts held in the Costs of Issuance Fund shall be transferred from the Costs of Issuance Fund and deposited in the Building Fund.

(f) If at any time it is deemed necessary or desirable by the District, upon the written direction of the District, the County may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

**Section 15. Security for the Series A Bonds; Tax Levy.** The Board shall levy annually on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax during the period the Series A Bonds are Outstanding in an amount sufficient, together with moneys on deposit in the Debt Service Fund and available for such purpose, to pay the Principal of, premium, if any, and interest on the Series A Bonds when due. The taxes collected for the Series A Bonds will be placed in the Debt Service Fund of the District, which taxes, together with the amounts on deposit in the Debt Service Fund, are irrevocably pledged for the payment of the Principal of, premium, if any, and interest on the Series A Bonds when and as due. The Series A Bonds are the general obligation bonds of the District payable solely from *ad valorem* taxes levied on behalf of the District as described herein and do not constitute an obligation of the County except as provided in this Resolution. No part of any fund or account of the County is pledged or obligated to the payment of the Series A Bonds or the interest thereon.

**Section 16. Defeasance.** The Series A Bonds may be defeased, in whole, prior to maturity in the following ways:

(a) by well and truly paying or causing to be paid the Principal, Accreted Value and interest on all Series A Bonds Outstanding, as and when the same become due and payable;

(b) by irrevocably depositing with a bank or trust company in escrow an amount of cash which together with amounts then on deposit in the Debt Service Fund, is sufficient to pay all Series A Bonds Outstanding, including all Principal, premium, if any, Accreted Value and interest thereon; or

(c) by irrevocably depositing with a bank or trust company selected by the District and approved by the County in escrow noncallable United States Obligations (defined below), together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant selected by the District and approved by the County, together with interest to accrue thereon and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all the Series A Bonds Outstanding, including all Principal, premium, if any, Accreted Value and

interest due with respect thereto at or before their maturity date or applicable redemption date;

then, notwithstanding that any Series A Bonds shall not have been surrendered for payment, all obligations of the District, the County and the Paying Agent with respect to all Outstanding Series A Bonds shall cease and terminate, except only the obligation of the County and the Paying Agent to pay or cause to be paid from funds deposited pursuant to paragraphs (a), (b) or (c) of this Section, to the owners of the Series A Bonds not so surrendered and paid all sums due with respect thereto and the obligations of the County with respect to the Rebate Fund in accordance with Section 14 hereof.

For purposes of this Section and Section 17, United States Obligations shall mean:

Direct and general obligations of the United States of America (including State and Local Government Series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidence of direct ownership or proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances wherein (a) a bank or trust company acts as custodian and holds the underlying United States Obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States Obligations; and (c) the underlying United States Obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claims of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated "AAA" by Standard & Poor's if the Series A Bonds are then rated by S&P and "Aaa" by Moody's Investors Service if the Series A Bonds are then rated by Moody's Investors Service.

**Section 17. Partial Defeasance.** A portion of the then-outstanding maturities of the Series A Bonds may be defeased prior to maturity in the following ways:

(a) by irrevocably depositing with the County, or a bank or trust company appointed by the County, in escrow, an amount of cash which, together with amounts then on deposit in the Debt Service Fund, is sufficient to pay the designated outstanding maturities of Series A Bonds, including all Principal, premium, if any, Accreted Value and interest; or

(b) by irrevocably depositing with the County, or a bank or trust company selected by the District, in escrow, noncallable United States Obligations, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant selected by the District, together with interest to accrue thereon, be fully sufficient to pay and discharge the designated maturities of Series A Bonds (including all Principal, premium, if any, Accreted Value and interest due with respect thereto at or before their maturity date or redemption date);

then, notwithstanding that any of such designated maturities of Series A Bonds shall not have been surrendered for payment, all obligations of the District and the County with respect to such outstanding maturities of Series A Bonds shall cease and terminate, except only the obligation of the County and the Paying Agent to pay or cause to be paid from funds deposited pursuant to paragraphs

(a) or (b) of this Section, to the Owners of the Bonds of such maturities designated for redemption or payment at maturity not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, United States Obligations shall have the same meaning as set forth in Section 16 hereof.

**Section 18. Continuing Disclosure.** The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Any Series A Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under the Continuing Disclosure Agreement.

**Section 19. Tax Covenants of the District.** The District has covenanted for and on behalf of the Owners that it shall not take any action, or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Series A Bonds under Section 103 of the Code.

**Section 20. Arbitrage Covenant.** The District has covenanted for and on behalf of the Owners that it will restrict the use of the proceeds of the Series A Bonds in such manner and to such extent, if any, as may be necessary, so that the Series A Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District. The County hereby covenants that it will follow such written directions as are given to it by the District to restrict the use of the proceeds of the Series A Bonds in such manner and to such extent, if any, as may be necessary, so that the Series A Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that section or any predecessor section.

**Section 21. Conditions Precedent.** In reliance on Resolution No. 12:02/03 of the Board of Trustees of the District and the certification of election results of the Registrar of Voters, this Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Series A Bonds in order to make them legal, valid and binding general obligation bonds of the District have been performed and have been met, or will at the time of delivery of the Series A Bonds have been performed and have been met, in regular and due form as required by law.

**Section 22. Preliminary Official Statement.** The District has agreed to cause a Preliminary Official Statement and a final Official Statement meeting the requirements of Securities and Exchange Commission Rule 15c2-12 to be prepared.

**Section 23. Approval of Actions.** The County Chair, Executive Officer-Clerk of the Board, Treasurer, and their respective designees, and other officers of the County are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Series A Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

**Section 24. Supplemental Resolutions.**

(a) This Resolution, and the rights and obligations of the County, the District and of the Owners of the Series A Bonds issued hereunder, may be modified or amended at any time by a supplemental resolution adopted by the County, upon the written direction of the District, with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Series A Bonds, exclusive of Series A Bonds, if any, owned by the County or the District; provided, however, that no such modification or amendment shall, without the express consent of the Owner of each Series A Bond affected, reduce the Principal Amount of any Series A Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

(b) This Resolution, and the rights and obligations of the County, the District and of the Owners of the Series A Bonds issued hereunder, may be modified or amended at any time by a supplemental resolution adopted by the County, following the written direction of the District, without the written consent of the Owners;

(i) To add to the covenants and agreements of the County in this Resolution, other covenants and agreements to be observed by the County which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(ii) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the County which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(iii) To confirm as further assurance any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(iv) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution; or

(v) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not adversely affect the interests of the Owners.

(c) Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Series A Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given,

no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the County or the District or any officer or agent of either from taking any action pursuant thereto.

**Section 25. Insurance.** In the event the District purchases bond insurance for the Series A Bonds, and to the extent that the Bond Insurer makes payment of the Principal, Accreted Value or interest on the Series A Bonds, it shall become the owner of such Series A Bonds with the right to payment of Principal, Accreted Value or interest on the Series A Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for the Series A Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer or other evidence satisfactory to the Payment Agent of the payment of such interest to the Owners of the Series A Bonds, and (ii) in the case of subrogation as to claims for past due Principal, Accreted Value or interest, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Series A Bonds maintained by the Paying Agent upon surrender of the Series A Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer. The Paying Agent shall request payment pursuant to the terms of any bond insurance policy to the extent required to pay the Principal of and interest on the Bonds when due if amounts on deposit in the Debt Service Fund are not adequate for that purpose.

**Section 26. Resolution to Constitute Contract.** In consideration of the purchase and acceptance of any and all of the Series A Bonds authorized to be issued hereunder by those who shall own the same from time to time, this Resolution shall be deemed to be and shall constitute a contract among the County, the District and the Owners from time to time of the Series A Bonds; and the pledge made in this Resolution shall be for the equal benefit, protection and security of the Owners of any and all of the Series A Bonds, all of which, regardless of the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any of the Series A Bonds over any other thereof.

**Section 27. Notices.** All notices or communications herein required or permitted to be given to any party shall be given to each of the following parties and shall be given in writing and shall be deemed to have been sufficiently given or served for all purposes by being delivered or sent by telecopier or by being deposited, postage prepaid, in a post office letter box, to the addresses set forth below, or to such other address as may be provided to the other parties hereinafter listed in writing from time to time, namely:

If to the County:	County of Los Angeles, California Treasurer and Tax Collector's Office 500 West Temple Street, Room 437 Los Angeles, California 90012 Attention: Treasurer and Tax Collector
If to the District:	Hermosa Beach City School District 1645 Valley Drive Hermosa Beach, California 90254 Attention: Superintendent

**Section 28. Unclaimed Moneys.** Anything in this Resolution to the contrary notwithstanding, any moneys held by the Paying Agent in trust for the payment and discharge of any of the Series A Bonds which remain unclaimed for one (1) year after the date when such Series A Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Paying Agent at such date, or for one (1) year after the date of deposit of such moneys if deposited with the Paying Agent after said date when such Series A Bonds become due and payable, shall be repaid by the Paying Agent to the District, as its absolute property and free from trust, and the Paying Agent shall thereupon be released and discharged with respect thereto and the Series A Bond Owners shall look only to the District for the payment of such Series A Bonds; provided, however, that before being required to make such payment to the District, the Paying Agent shall, at the expense of District, cause to be mailed to the Owners of all such Series A Bonds, at their respective addresses appearing on the registration books, a notice that said moneys remain unclaimed and that, after a date in said notice, which date shall not be less than thirty (30) days after the date of mailing such notice, the balance of such moneys then unclaimed will be returned to the District.

**Section 29. Permitted Investments; Valuation.**

(a) All amounts held in the funds and accounts established hereunder shall be invested by the Treasurer in any instrument which is a lawful investment for funds of the District as set forth in Government Code Section 53601 or any successor thereto, and the California State Treasury Local Agency Investment Fund. Unless otherwise instructed by the District in writing, amounts held in the funds and accounts established hereunder shall be invested in the Treasurer's Investment Pool. If invested in other than the Treasurer's Investment Pool, amounts in the Debt Service Fund shall be invested in investments maturing not later than the date on which such amounts will be needed to pay the Principal of and interest on the Series A Bonds. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

(b) Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

**Section 30. Effective Date.** This Resolution shall take effect immediately upon its passage.

The foregoing resolution was on the \_\_\_\_\_ day of March, 2003, adopted by the Board of Supervisors of the County of Los Angeles and *ex-officio* the governing body of all special assessment and taxing districts, agencies and authorities for which said Board so acts.

Ladies and Gentlemen:

The undersigned (the "Underwriter") offers to enter into this Contract of Purchase (the "Purchase Contract") with the County of Los Angeles, California (the "County"), and the Hermosa Beach City School District (the "District"), which, upon your acceptance hereof, will be binding upon the District, the County and the Underwriter. This offer is made subject to the written acceptance of this Purchase Contract by the County and the District and delivery of such acceptance to us at our office specified in Section 13 below prior to 11:59 p.m., California Time, on the date hereof.

**Section 31. Purchase and Sale of the Bonds.** Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriter for such purpose, all (but not less than all) of \$ \_\_\_\_\_ in aggregate initial amount of the District's 2003 General Obligation Bonds, Election of 2002, Series A (the "Bonds"). The Bonds shall bear interest or accrete at the rates, and shall mature in the principal amounts and in the years shown on Exhibit A hereto, which is incorporated herein by this reference.

**Section 32. The Bonds.** The Bonds shall be issued in the form of Current Interest Bonds and Capital Appreciation Bonds, as identified on Exhibit A hereto, shall be dated their date of delivery and are subject to redemption as set forth in Appendix A hereto. In all other respects the Bonds shall be as described in, and shall be issued and secured pursuant to the provisions of the resolution of the District adopted on February 6, 2003 (the "District Resolution") and the Resolution

of the Board of Supervisors of the County adopted on \_\_\_\_\_, 2003 (the "County Resolution" and collectively with the District Resolution, the "Resolutions") and Section 15264 *et seq.*, of the California Education Code (the "Act"). All capitalized terms used herein without definition shall have the meanings given to them in the County Resolution.

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Contract and the Resolutions. The Bonds shall be in book-entry form, shall bear CUSIP numbers, shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York; the Bonds shall initially be in authorized denominations of \$5,000 maturity value each or any integral multiple thereof.

**Section 33. Use of Documents.** The District and the County hereby authorize the Underwriter to use, in connection with the offer and sale of the Bonds, this Purchase Contract and an Official Statement (defined below), the Resolutions and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriter in connection with the transactions contemplated by this Purchase Contract.

**Section 34. Public Offering of the Bonds.** The Underwriter agrees to make a bona fide public offering of all the Bonds at the initial public offering price or yield to be set forth on the cover page of the Official Statement. Subsequent to such initial public offering, the Underwriter reserves the right to change such initial public offering price or yield as it deems necessary in connection with the marketing of the Bonds.

**Section 35. Review of Official Statement.** The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Bonds, dated \_\_\_\_\_, 2003 (the "Preliminary Official Statement"). The District represents that it has deemed the Preliminary Official Statement to be final, except for either revisions or additions relating to the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Rule").

The Underwriter agrees that prior to the time the final Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received. The Underwriter agrees that, within 10 days after the Closing (as defined below), it will file a copy of the Official Statement with the Municipal Securities Rulemaking Board.

**Section 36. Closing.** At 8:30 a.m., California Time, on \_\_\_\_\_, 2003, or at such other time or on such other date as shall have been mutually agreed upon by you and us (the "Closing"), you will deliver to us, at the offices of The Depository Trust Company ("DTC") in New York, New York, or at such other place as we may mutually agree upon, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, and at the offices of Stradling Yocca Carlson & Rauth, a Professional Corporation, Bond Counsel, in Newport Beach, California, the other documents hereinafter mentioned; and we will accept such delivery and pay the purchase price thereof, of \$ \_\_\_\_\_ (being equal to the aggregate initial amount of the Bonds, less an underwriter's discount of \$ \_\_\_\_\_, less the bond insurance

premium of \$ \_\_\_\_\_, less the costs of issuance of \$ \_\_\_\_\_ to be paid by the Underwriter, plus original issue premium of \$ \_\_\_\_\_), in immediately available funds by check, draft or wire transfer to the County.

**Section 37. Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriter that:

(a) Due Organization. The District is a public instrumentality duly organized and validly existing under the laws of the State of California, with the power to issue the Bonds pursuant to the Act.

(b) Due Authorization. (i) at or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has full legal right, power and authority to enter into this Purchase Contract, to adopt the District Resolution, to perform its obligations under each such document or instrument, and to carry out and effectuate the transactions contemplated by this Purchase Contract and the District Resolution; (iii) the execution and delivery or adoption of, and the performance by the District of the obligations contained in the Bonds, the District Resolution, the County Resolution and this Purchase Contract have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Purchase Contract constitutes a valid and legally binding obligation of the District; and (v) the District has duly authorized the consummation by it of all transactions contemplated by this Purchase Contract.

(c) Consents. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request.

(d) No Conflicts. To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of this Purchase Contract, the District Resolution and the Bonds, and the compliance with the provisions hereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

(e) Litigation. Except as described in the Preliminary Official Statement, as of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending in which service of process has been completed against the District, or to the best knowledge of the District, threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or of the titles of the officials of the District to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of the tax revenues pledged or to be pledged or available to pay the

principal of and interest on the Bonds, or the pledge thereof, or the levy of any taxes contemplated by the Resolutions or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract or the Resolutions or contesting the powers of the District or the County under the Resolutions or this Purchase Contract; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Purchase Contract or the Resolutions, (b) declare this Purchase Contract to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

(f) No Other Debt. Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District directly, nor the County on behalf of the District at the District's request, will have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

(g) Arbitrage Certificate. The District has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the District is a bond issuer whose arbitrage certificates may not be relied upon.

(h) Certificates. Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein.

(i) Continuing Disclosure. At or prior to the Closing, the District shall have duly authorized, executed and delivered the Continuing Disclosure Agreement. The Continuing Disclosure Agreement shall comply with the provisions of Rule 15c2-12(b)(5) and be substantially in the form attached to the Official Statement in Appendix D.

(j) Official Statement. (d) No Conflicts. To the best knowledge of the County, the issuance of the Bonds, the execution, delivery and performance of this Purchase Contract, the County Resolution and the Bonds, and the compliance with the provisions hereof do not conflict with or constitute on the part of the County a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a material violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the County is a party or by which it is bound or to which it is subject.

(e) Litigation. Based on the advice of County Counsel, except as described in the Preliminary Official Statement, as of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending in which service of process has been completed against the County, or to the best knowledge of the County, threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or of the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of the tax revenues pledged or to be pledged or available to pay the principal of and interest on the Bonds, or the pledge thereof, or the levy of any taxes contemplated by the Resolutions, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract or the Resolutions or contesting the powers of the County or its authority with respect to the Bonds, the Resolutions or this Purchase Contract; or (iii) in which a final adverse decision could (a) materially adversely affect the consummation of the transactions contemplated by this Purchase Contract or the Resolutions (b) declare this Purchase Contract to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

(f) No Other Debt. Between the date hereof and the Closing, without the prior written consent of the Underwriter, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

(g) Arbitrage Certificate. The County has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the County is a bond issuer whose arbitrage certificates may not be relied upon.

(h) Certificates. Any certificates signed by any officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

**Section 39. Covenants of the County and the District.** The County and the District respectively covenant and agree with the Underwriter that:

(a) Securities Laws. The County and the District will furnish such information, execute such instruments, and take such other action in cooperation with, and at the expense of, the Underwriter if and as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions, provided, however, that the County and the District shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof;

(b) Application of Proceeds. The District will apply the proceeds from the sale of the Bonds for the purposes specified in the District Resolution;

(c) Official Statement. The District hereby agrees to deliver or cause to be delivered to the Underwriter, not later than the seventh (7th) business day following the date this Purchase Contract is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto being called the "Official Statement") in such reasonable quantities as may be requested by the Underwriter not later than five (5) business days following the date this Purchase Contract is signed, in order to permit the Underwriter to comply with paragraph (b)(4) of the Rule and with the rules of the Municipal Securities Rulemaking Board. The District hereby authorizes the Underwriter to use and distribute the Official Statement in connection with the offering and sale of the Bonds;

(d) Subsequent Events. The District hereby agrees to notify the Underwriter of any event or occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is twenty-five (25) days following the Closing;

(e) Amendments to Official Statement. For a period of twenty-five (25) days after the Closing or until such time (if earlier) as the Underwriter shall no longer hold any of the Bonds for sale, the District will amend or supplement the Official Statement in any manner necessary to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to a purchaser, and (at the expense of the District) shall deliver a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance reasonably satisfactory to the Underwriter) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements

therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading.

Conditions to Closing.** The Underwriter has entered into this Purchase Contract in reliance upon the representations and warranties of the County and the District contained herein and the performance by the District of its obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriter's obligations under this Purchase Contract are and shall be subject at the option of the Underwriter, to the following further conditions at the Closing:

(a) Representations True. The representations and warranties of the County and the District contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the County and the District shall be in compliance with each of the agreements made by it in this Purchase Contract;

(c) Adverse Rulings. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Contract (and not reversed on appeal or otherwise set aside), or to the best knowledge of the County or the District, be threatened which has any of the effects described in Section 7(e) or 8(e) hereof or contesting in any way the completeness or accuracy of the Official Statement;

(d) Marketability. Between the date hereof and the Closing, the market price or marketability or the ability of the Underwriter to enforce contracts for the sale of the Bonds, at the initial offering prices set forth in the Official Statement, shall not have been materially adversely affected in the reasonable judgment of the Underwriter (evidenced by a written notice to the County and the District terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

(v) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect;

(vi) the withdrawal or downgrading of any rating of the District's outstanding indebtedness by a national rating agency; or

(vii) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material adverse respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

**Re:**     \$ \_\_\_\_\_ *Hermosa Beach City School District, Los Angeles County, California,  
2003 General Obligation Bonds, Election of 2002, Series A*

Ladies and Gentlemen:

This opinion is rendered as counsel to the County of Los Angeles (the "County") in connection with the issuance by the Hermosa Beach City School District (the "District") of its 2003 General Obligation Bonds, Election of 2002, Series A in the aggregate principal amount of \$ \_\_\_\_\_ (the "Bonds").

In rendering this opinion, we have examined the County Resolution and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1.        The County is a political subdivision duly organized and validly existing under the Constitution and the laws of the State of California.

2.        The County Resolution approving and authorizing the execution and delivery of the Purchase Contract and the issuance of the Bonds was duly adopted at a meeting of the governing body of the County which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption.

3.        To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending or threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective officers; (b) seeking to prohibit, restrain or enjoin the execution of the Purchase Contract or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Purchase Contract or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Purchase Contract; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

4. The Purchase Contract has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County, and, assuming due authorization, execution and delivery by the other parties thereto, the Purchase Contract constitutes the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed, enforcement of the rights and obligations under the County Resolution, the Purchase Contract and the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought, and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Purchase Contract or the Bonds.

Very truly yours,

<u>INTEREST RATE</u>	<u>MATURITY DATE</u>	<u>DATED DATE</u>	<u>CUSIP NO.</u>
_____%	August 1, ____	_____, 2003	_____

REGISTERED OWNER:      CEDE & CO.

PRINCIPAL AMOUNT:      \_\_\_\_\_ AND NO/100 DOLLARS

The Hermosa Beach City School District (the "District") in Los Angeles County, California, for value received, promises to pay to the Registered Owner named above, or registered assigns, the Principal Amount on the Maturity Date, each as stated above, and interest thereon until the Principal Amount is paid or provided for at the Interest Rate stated above, on February 1 and August 1 of each year, commencing August 1, 2003 (each, a "Bond Payment Date"). This bond will bear interest from the Bond Payment Date next preceding the date of authentication hereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Bond Payment Date to the Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before July 15, 2003, in which event it shall bear interest from its Dated Date; provided, however, that, if at the time of registration of this Bond interest with

respect hereto is in default, interest with respect hereto shall be payable from the Bond Payment Date to which interest has previously been paid or made available for payment. Principal and interest are payable in lawful money of the United States of America, without deduction for the Paying Agent services, to the person in whose name this bond (or, if applicable, one or more predecessor bonds) is registered (the "Registered Owner") on the register maintained by the Paying Agent, initially the Treasurer. Principal is payable when due upon presentation and surrender of this Bond at the principal office of the Paying Agent. Interest is payable by check mailed by the Paying Agent on each Bond Payment Date to the Registered Owner as shown and at the address appearing on said register at the close of business on the 15th day of the calendar month next preceding that Bond Payment Date (the "Record Date"); provided that a Registered Owner of Bonds in the aggregate principal amount of \$1,000,000 or more may request in writing to the Paying Agent that the Registered Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date.

The Bonds have been issued for the purpose of raising money for the construction and modernization of classrooms and other school facilities and to pay all necessary legal, financial, engineering and contingent costs in connection therewith under authority of and pursuant to the laws of the State of California, and the requisite fifty-five percent vote of the electors of the District cast at an election held on November 5, 2002, upon the question of issuing bonds in the amount of \$13,600,000 and the resolution of the Board of Trustees of the District adopted on February 6, 2003 (the "District Resolution") and the resolution of the Board of Supervisors of the County of Los Angeles (the "County") adopted on \_\_\_\_\_, 2003 (the "Bond Resolution"). This Bond and the issue of which this Bond is one are payable as to both principal and interest from the proceeds of the levy of ad valorem taxes on all property subject to such taxes in the District, which taxes are, under the laws now in force, unlimited as to rate or amount. THE BONDS OF THIS ISSUE ARE GENERAL OBLIGATION BONDS OF THE DISTRICT AND DO NOT CONSTITUTE A DEBT, LIABILITY OR OBLIGATION OF THE COUNTY. NO PART OF ANY FUND OR MONEYS OF THE COUNTY IS PLEDGED OR OBLIGATED TO THE PAYMENT OF THE BONDS OF THIS ISSUE.

This Bond is exchangeable and transferable for Bonds of other authorized denominations at the principal office of the Paying Agent, by the Registered Owner or by a person legally empowered to do so, upon presentation and surrender hereof to the Paying Agent, together with a request for exchange or an assignment signed by the Registered Owner or by a person legally empowered to do so, in a form satisfactory to the Paying Agent, all subject to the terms, limitations and conditions provided in the Bond Resolution. All fees and costs of transfer shall be paid by the transferor. The District, the County and the Paying Agent may deem and treat the Registered Owner as the absolute owner of this Bond for the purpose of receiving payment of or on account of principal or interest and for all other purposes, and neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary.

Neither the District, the County nor the Paying Agent will be required (a) to issue or transfer any Bond during a period beginning with the opening of business on the 16th day of the month next preceding any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given or (b) to transfer any Bond which has been selected or called for redemption in whole or in part.

The Bonds maturing on or before August 1, \_\_\_\_, are not subject to redemption. Any Bonds maturing on or after August 1, \_\_\_\_ may be redeemed before maturity at the option of the District, on August 1, \_\_\_\_, or on any Bond Payment Date thereafter as a whole, or in part in the order of maturity selected by the District and by lot within a maturity. For the purposes of such selection, Bonds will be deemed to consist of \$5,000 portions, and any such portion may be separately redeemed. Any Bonds called prior to maturity will be redeemed at the following redemption prices, expressed as a percentage of par value, together with accrued interest to the date of redemption:

<u>Redemption Date</u>	<u>Redemption Price</u>
August 1, ____ and February 1, ____	%
August 1, ____ and February 1, ____	
February 1, ____ and thereafter	

The Bonds maturing on August 1, \_\_\_\_ are subject to mandatory sinking fund redemption on the following dates and in the following amounts at a redemption price equal to the principal amount to be redeemed, together with accrued interest to the redemption date, without premium:

<u>Year</u> <u>(August 1)</u>	<u>Principal Amount</u> <u>To Be Redeemed</u>
----------------------------------	--

The Bonds maturing on August 1, \_\_\_\_ are subject to mandatory sinking fund redemption on the following dates and in the following amounts at a redemption price equal to the principal amount to be redeemed, together with accrued interest to the redemption date, without premium:

<u>Year</u> <u>(August 1)</u>	<u>Principal Amount</u> <u>To Be Redeemed</u>
----------------------------------	--

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot at the direction of the District by the Paying Agent in such manner as the Paying Agent in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof and that, in selecting Bonds for redemption, the Paying

Agent shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such bond by \$5,000.

The rights and obligations of the County and of the Registered Owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the County in certain cases with the written consent of Registered Owners of at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County and the District and in certain cases without the consent of the Registered Owners as further specified in the Resolution.

Reference is made to the Bond Resolution for a more complete description of the provisions, among others, with respect to the nature and extent of the security for the Bonds of this series, the rights, duties and obligations of the District, the County, the Paying Agent and the Registered Owners, and the terms and conditions upon which the Bonds are issued and secured. The Registered Owner of this Bond assents, by acceptance hereof, to all of the provisions of the Bond Resolution.

It is certified and recited that all acts and conditions required of the County by the laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the Bonds described herein in order to make them legal, valid and binding general obligation bonds of the District, have been performed and have been met in regular and due form as required by law; that payment in full for the Bonds has been received; that no statutory or constitutional limitation on indebtedness or taxation has been exceeded in issuing the Bonds; and that due provision has been made for levying and collecting ad valorem property taxes on all of the taxable property within the District in an amount sufficient to pay principal and interest when due, and for levying and collecting such taxes the full faith and credit of the District are hereby pledged.

This Bond shall not be valid or obligatory for any purpose and shall not be entitled to any security or benefit under the Bond Resolution until the Certificate of Authentication below has been signed.

WITNESS WHEREOF, the County of Los Angeles has caused this Bond to be executed on behalf of the District and in their official capacities, by the manual or facsimile signatures of the Chair and the Treasurer and Tax Collector of the County, and to be countersigned by the facsimile signature of the Executive Officer-Clerk of the Board of Supervisors of the County, and has caused the seal of the County to be affixed hereto, all as of the date stated above.

WHEREAS, a duly called election was held in the Hermosa Beach City School District (the "District") on November 5, 2002 pursuant to provisions of paragraph (3) of subdivision (b) of Section 1 of Article XIII A of the California Constitution and subdivision (b) of Section 18 of Article XVI of the California Constitution, at which the following proposition ("Measure J") was submitted to the qualified electors of the District:

"To improve the quality of education, shall the Hermosa Beach City School District be authorized to finance classroom modernization; upgrade electrical systems to improve access to technology; make health, safety, and security improvements; upgrade plumbing, heating, ventilation, and air conditioning systems; construct classrooms and science labs; acquire property, and qualify for State funds up to \$1,700,000, by issuing \$13,600,000 in bonds, within maximum legal interest rates, with annual audits, and a citizens' oversight committee and NO money for administrators' salaries?"

WHEREAS, at such election Measure J received the affirmative vote of more than fifty-five percent of the qualified electors of the District voting on the proposition as certified by the Registrar of Voters of the County of Los Angeles in the official canvassing of votes; and

WHEREAS, at this time the Board of Trustees of the District has determined that it is necessary and desirable to request the Board of Supervisors to issue a first series of general obligation bonds in an aggregate principal amount not to exceed \$10,000,000 to be designated as the "Hermosa Beach City School District, 2003 General Obligation Bonds, Election of 2002" (the "Series 2003A Bonds") pursuant to the provisions of paragraph 3 of subdivision (b) of Section 1 of Article XIII A of the California Constitution and Chapter 1.5, Part 10, Division 1, Title 1 of the Education Code of the State of California (commencing with Section 15264); and

WHEREAS, there has been presented to this Board of Trustees at this meeting the forms of a Preliminary Official Statement (the "Preliminary Official Statement") pursuant to which the Series 2003A Bonds will be offered for sale, a Purchase Contract (the "Purchase Contract") to be entered into by and among the District, the County of Los Angeles and UBS PaineWebber Inc. (the "Underwriter"), and a Continuing Disclosure Agreement (the "Continuing Disclosure Agreement") between the District and U.S. Bank, N.A., as Dissemination Agent; and

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation

bonds of the District, and the indebtedness of the District, including the proposed issue of Series 2003A Bonds, is within all limits prescribed by law;

NOW, THEREFORE, BE IT FOUND, DETERMINED AND RESOLVED BY THE BOARD OF TRUSTEES OF THE HERMOSA BEACH CITY SCHOOL DISTRICT AS FOLLOWS:

**Section 1.** Each of the above recitals is true and correct.

**Section 2.** In order to raise money for the purposes described in Measure J and to pay all necessary legal, financial, engineering and contingent costs in connection therewith, in accordance with the provisions of Education Code Section 15140, the Board of Trustees hereby petitions the Board of Supervisors of the County of Los Angeles to authorize the issuance of the Series 2003A Bonds and to order such Series 2003A Bonds sold as soon as possible following its receipt of this Resolution. The Series 2003A Bonds shall be sold at a negotiated sale to the Underwriter and shall bear or accrete interest at the rates set forth in the Purchase Contract, which, for the issue as a whole, shall not exceed a true interest cost of 8.0%. The principal of the Series 2003A Bonds shall mature on the dates and in the amounts set forth in the Purchase Contract, not to exceed 25 years from the date of the Series 2003A Bonds.

The Series 2003A Bonds may be issued as current interest bonds or capital appreciation bonds as set forth in the Purchase Contract, subject to the provisions of a resolution of the Board of Supervisors of the County relating to the Bonds (the "County Resolution").

The Board of Supervisors is hereby authorized to set the terms of the optional and mandatory redemption of the Series 2003A Bonds in the Purchase Contract and to provide in the County Resolution the method of giving notice of redemption to holders of Series 2003A Bonds to be redeemed.

**Section 3.** The Board of Trustees does hereby authorize the appointment of an authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Paying Agent") for the Series 2003A Bonds by the Board of Supervisors of the County on behalf of the District.

**Section 4.** The District hereby covenants with the owners of the Series 2003A Bonds that it will restrict the use of the proceeds of the Series 2003A Bonds in such manner and to such extent, if any, as may be necessary, so that the Series 2003A Bonds will not constitute arbitrage bonds under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable regulations prescribed under that section or any predecessor section and will take no action that would cause interest on the Series 2003A Bonds to be included in gross income for federal income tax purposes. In furtherance of this covenant, the District agrees to comply with the covenants contained in the Tax Certificate (the "Tax Certificate") to be executed by the District on the date of delivery of the Series 2003A Bonds. The District hereby agrees to deliver instructions to the Paying Agent in order to comply with the Tax Certificate.

**Section 5.** The Clerk of the Board of Trustees is hereby directed to file a certified copy of this Resolution with the Board of Supervisors and the Treasurer and Tax Collector of the County (the "Treasurer").
